3、Fill in all the information and ensure that it is consistent with the information in the campus info system

International students should fill in their English names (pay attention to capitalization and spelling order)

证件号码（注意港澳台生填写与 info 系统中登记一致的证件号，国际学生填写与 info 系统中登记一致的护照号）。

ID number (International students should fill in the same passport number as registered in the campus info system).

4、进行身份核验，完成注册

4、Complete registration after identity verification

身份核验的方式有三种，一般选择“方式3”，直接输入中文“清华大学”验证，如验证失败，失败的原因可能是你注册的信息与校内 info 系统中的信息不一致，需要重新核对你填写的注册信息。“方式3”的验证有次数限制，如果你失败了2次请务必不要再次尝试。国际学生的验证界面如果没有出现“方式3”，则需要使用“方式2”进行身份验证。

There are three ways to verify your identity. Generally, choose 'Method 3' and directly enter the Chinese word "清华大学" for verification. If the verification fails, the reason for the failure may be that your registration information is inconsistent with the information in the campus info system, and you need to recheck the registration information you filled in. There is a

limit on the number of times to verify 'Method 3'. If you fail twice, please be sure not to try again. If 'Method 3' does not appear on the interface for international students, you need to use 'Method 2' for identity verification.
